Aace Cce Study Guide

AACE provides study guides as part of the recommended study materials for the AACE certification examinations. Each Study Guide summarizes the fields of study recommended for preparation for the certification examination. While not required to obtain AACE certification, each Study Guide is a separate purchase and is not included in the certification fees.

Certification Study Guides - AACE International

invested in this book. This study guide is designed to be a companion workbook to the Skills and Knowledge of Cost Engineering, 5th Edition (S&K 5). The information contained in S&K 5 represents the minimum general knowledge a cost engineering professional is expected to have. This study guide does not teach specifically to the CCC/CCE exam.
