Henry VIII of England had several children. The best known children are the three legitimate offspring who survived infancy and would succeed him as monarchs of England successively, Edward VI, Mary I and Elizabeth I. His first two wives, Catherine of Aragon and Anne Boleyn, had several pregnancies that ended in stillbirth, miscarriage, or death in infancy. Henry acknowledged one illegitimate child, Henry FitzRoy, as his own, but is suspected to have fathered several illegitimate ...

### Issue of Edward III of England - Wikipedia

At his death in 1547, King Henry VIII left four heirs to the English throne: his only son, the nine-year-old Prince Edward; the Lady Mary, the adult daughter of his first wife, Catherine of Aragon; the Lady Elizabeth, the daughter of his second wife, Anne Boleyn, and his young great-niece, the Lady Jane Grey.

### The Children of Henry VIII by Alison Weir - Goodreads

Henry was one of seven children. Only four lived beyond infancy, which was not unusual in an age of high infant mortality. Katherine of Aragon also came from a family of seven: two of her siblings were stillborn. Thus there was a history of infant mortality on both sides, which may or may not be significant.
