Will Self: Writer

Great Apes by Will Self is one of the most creative, well written stories from the last 20 years. It leaves a beautiful commentary on the differences (or lack thereof) between humans and animals, and leads a suspenseful plot into a deep psychological relationship that I really enjoyed and felt like a different person after reading.

Great Apes book by Will Self - ThriftBooks

Great Apes is Will Self 's hilarious, disturbing and dazzlingly original take on man's place in the evolutionary chain. This raucous new stage adaptation from Patrick Marmion (*The Divided Laing*) mixes razor-sharp language with movement and puppetry, journeying into the mystery of what it means to be a human being.

Great apes have been put on lockdown against the threat of coronavirus. Gorilla tourism in Africa has been suspended, while sanctuaries for other apes, such as orangutans, have closed to the public.

Coronavirus: Great apes on lockdown over threat of disease ...

Very cleverly written, Will Self takes a satirical look at humanity by exploring the differences between them and the apes. I liked the level of depth that he put into the writing, it made you able to visualise the planet of the apes that Simon Sykes had awoken to and you feel part of his struggle to accept what he has become.
