Not So Big House Sarah

About the Not So Big House Book Series. Sarah Susanka's best-selling first book, The Not So Big House, has given homeowners the language they need to ask for the house that they want: a house that values quality over quantity, and emphasizes comfort, beauty, and a high level of detail. Each book in the series, from Creating the Not So Big House to Home By Design, to Not So Big Remodeling, is ...

Not So Big House - Sarah Susanka

Not so helpful for people who live in a house that they like, that may not include many of these features (but there are Not So Big remodeling books for that if you have the cash to renovate). I'm hoping to find practical solutions that are a little less built-in, as much as I love the built-in ideas.

The Not So Big House, A Blueprint for the Way We Really Live, by Sarah Susanka, was originally published in 1998. Twenty-two years later, as Americans struggle with a global pandemic, we are spending more time together in our homes than we have in decades.

Why the Not So Big House Is More Important Than Ever Before

I'm a believer in architect Sarah Susanka's "Not So Big" philosophy. The conversation with my clients starts: Let's figure out what your anticipated use of the space may be ... and design enough of it, not too much, not too little. Approaching the spaces thoughtfully, we make it simple and beautiful.
