An internship is an excellent way to apply theoretical knowledge acquired during one's studies for practical skills needed for your professional future. Leading-edge companies offer internships to highly-motivated Montanuniversität students to get in touch with high-potentials.

Internships - DPE Department Petroleum Engineering

Do not get a petroleum engineering degree. It's way too specialized. Get another engineering degree and get internships with an oil and gas company, or even a minor in petroleum if you really want to. A petroleum engineering degree is really not a smart move when a mechanical or chemical engineering degree

will get you the exact same jobs.
