Did Lenin fail to solve Russia's economic problems? - Quora

The New Economic Policy was an economic policy of the Soviet Union proposed by Vladimir Lenin in 1921 as a temporary expedient. Lenin characterized the NEP in 1922 as an economic system that would include "a free market and capitalism, both subject to state control," while socialized state enterprises would operate on "a profit basis." The NEP represented a more market-oriented economic policy to foster the economy of the country, which had suffered severely since 1915. The Soviet ...

New Economic Policy - Wikipedia

The Russian economy had to recover before it could be rebuilt and restructured. By the beginning of 1918, Vladimir Lenin and other Bolshevik leaders were contemplating how this recovery might be achieved. 'State capitalism' Lenin's plan, articulated in 1918, was dubbed 'state capitalism'.

Bolshevik economic policy - Russian Revolution

Lenin returned to Russia from exile in 1917 and it was up to him to restore some degree of prosperity, order and eventual control of all aspects of Russian economy and society.
