Lerner's sweeping and erudite chronicle primarily traces women who were aware of belonging to a socially defined, unnaturally subordinate and deprived group, and who expressed their consciousness and their opposition mostly in their writing. After a brief history of women's educational ``disadvantaging," the author describes women's various attempts to ``authorize" themselves through mysticism, heretical religious practices, alternative modes of thought, and motherhood.

THE CREATION OF FEMINIST CONSCIOUSNESS by Gerda Lerner ...

Here is a fascinating and liberating account of how women came to feminist consciousness over the last 2,500 years. It was not easy or straightforward, according to Gerda Lerner. Instead, the efforts of individual women to recognize the injustice of patriarchy and to organize against it foundered repeatedly as women were isolated from each other and kept in the historical dark.
