The Phoenix Project A Novel

The Phoenix Project is a business book masquerading as a work of fiction.

The Phoenix Project: A Novel about IT, DevOps, and Helping ...

The Phoenix Project uses a contrived narrative to deliver IT best practices like a mother would use applesauce to hide peas while spoon-feeding a toddler. The state of technology/management books might have been different five years ago, but I found the over-the-top nature insulting to the intelligence of the intended demographic.
